ANNUAL SUBSCRIPTION

Dear members,

You are aware that the association does not collect any subscription on regular basis (viz. monthly /quarterly/yearly etc.) from the alumni members and only obtains one time subscription when an alumnus opts for being a life member. Thus the only avenue that remains for generation of fund is advertisements in the souvenirs brought out by us on the occasion of Annual Get-together / Organising seminars etc. But the focus of business having shifted to the IT sector, it has become extremely difficult to obtain even a moderate number of advertisements. On the other hand cost of each and every commodity /service has undergone a sharp increase. As for example, on account of rental charge for Science City Auditorium we have had to pay Rs. 90,000/- in January 2023 as against Rs 45,000/- paid in earlier years. In respect of food, we had to pay Rs 650.00 per head in 2023 as against Rs.350/-in previous years.

Consequently, we were compelled to dole out more than Rs one lakh from the Association account to meet all the expenditures of the 2023 annual get- together. All these have exposed the association to a grievous financial crisis and our student centric activities are badly suffering.

This matter has been discussed at great length in the Annual General Meeting of the Association held on 11th Feb'23 and all the members present have unanimously decided that henceforth an annual subscription of Rs 500.00 is collected from all the alumni members including the life members as well. Accordingly all the alumni members are requested to pay Rs 500.00 towards subscription for the current year (2023) at the earliest to help the Association tide over the critical situation.

The Bank details for making online payment (UPI / IMPS / NEFT):

To pay: "Jalpaiguri Govt. Engg. College Alumni Association",

UCO Bank, Purna Das Road,

Kolkata – 700029, Account no. 17610110005576,

IFSC: UCBA0001761, MICR Code: 700028108.

We expect your whole hearted cooperation on the above to save the JGEC Alumni Association, established in 1973 at Kolkata, from the present financial crisis.

Thanking you,
