JALPAIGURI GOVT. ENGINEERING COLLEGE ALUMNI ASSOCIATION
65 , Hindustan Park , Kolkata - 700 029

10th October 2020

From :
General Secretary
Jalpaiguri Govt. Engg. College Alumni Association.
Kolkata

Whereas it is a striking reality that the communications from the association is missing a vast section of the alumni, it has been felt necessary to update the mailing list. Accordingly we would request the members to go through the list and indicate / confirm the correct mail ID and phone nos. In case of missing names, the same be please pointed out with relevant details. A scanned copy of the life Membership Card or records/ receipt of making the payment of Life Membership Fee will help us to correct the records quickly. However in the event of no such document being readily available, the tentative date of making the payment may be indicated to help checking the records.

Meanwhile please give an extensive publicity amongst your Batch mates & Friends to be a life member of this wonderful association. We urge everyone to be a Life Member and enjoy a lifetime nostalgic remembrance . Needless to say that 'alma mater' brings about enormous pride into the life of an individual. So please have a talk with your friends and join your own organisation in great enthusiasm.

With best wishes,

Sudip Kumar Pradhan

Secretary, JGECAA.
