Date: 18.09.2025

To

The Director of Technical Education

Bikash Bhavan, 10th Floor, Salt Lake,

Kolkata - 700091

Subject : Unavailability of B.E. / B.Tech. Degree certificates from
2021-22 academic year passed out students of Jalpaiguri Govt.
Engineering College - matters regarding

Dear Madam,

Inviting a reference to above, it is to bring to your kind notice that the B.E. / B.Tech. Degree certificates have not been made available till date to the passed out batches of Jalpaiguri Government Engineering College from 2021-22 onwards.

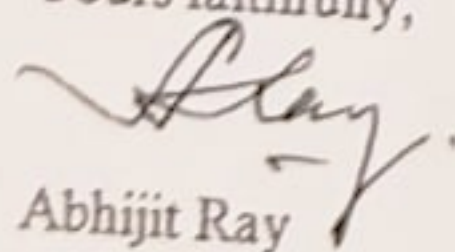

There is neither any indication as to when such certificates will be issued. Further their marksheets also are yet to be uploaded in digilocker. It is feared that if the impasse is not resolved, even the next pass out batches i.e. batch of 2024-25 also will not receive their B.E. / B.Tech. Degree certificates. This is quite a bizarre situation, more so because the same batches of pass outs from other engineering colleges, both Government and Private, under MAKAUT, have received their certificates.

This inordinate delay is obviously causing extreme inconvenience to the students who intend to pursue higher studies particularly in foreign universities. As days are passing by, the frustration among the concerned students are also growing. We, the members of the alumni association are visibly quite worried at such plight of our younger peers.

Under such calamitous circumstances we would fervently request you to kindly intervene and advise the concerned officials to ensure that the certificates are issued to the students without any further loss of time.

Thanking you in anticipation.

Yours faithfully,

Abhijit Ray

President
