

SPACE BOOKING IN PUBLICATION.....

On the occasion of this Seminar, an exclusive technical volume is proposed for publication. Reputed Engg. Firms, manufacturers and individuals having experience and expertise in the related fields are invited to contribute in this volume. The manufacturers of equipment in tunnel construction, construction firms and contractors are invited to book their space solely for the purpose of sharing their experience, exhibiting their products and highlighting their achievements in related fields. The tariff to be charged depends upon the area of the space booked. The willing houses are advised to contact us for further clarification. The tentative circulation of the publication is around 1,000; among the practicing engineering, design and consulting houses. The interested concerns are invited to contact us at the following phone numbers/e-mail addresses.

CONTACTS.....

- **Sri Anath Bandhu Pal**
Cell: 98362-98651

INFORMATION BROCHURE

NATIONAL SEMINAR

ON

DESIGN AND CONSTRUCTION OF TUNNELS: INDIAN TECHNOLOGY AND ADVANCEMENT

On

5TH. DECEMBER, 2026 (SATURDAY)

At

**BIRLA INDUSTRIAL & TECHNOLOGICAL
MUSEUM AUDITORIUM,
19A, GURUSADAY ROAD,
KOLKATA – 700019**

Organized by

**JALPAIGURI GOVERNMENT ENGINEERING
COLLEGE ALUMNI ASSOCIATION
65, Hindustan Park, Kolkata – 700 029**

Introduction to Concept of Present Seminar...

On the ground, India has already graduated at the level of a developed country owing to its contributions in various fields, notably among them is the infrastructure. Developing its own technologies and successfully implementing them on the ground has yielded the desired results in rail/road construction and hydel power generation - in those sectors which owe the niches because of advancement in tunnel technology. Because of the contribution of these sectors, vis-à-vis, the tunnel construction, in national progress, the subject is chosen by JGECAA for its yearly National Seminar, 2026.

Jalpaiguri Govt Engg. College Alumni Association (JGECAA) is the conglomerate of passed-out students of Jalpaiguri Government Engineering College who had donned esteem positions or are still discharging their professional duties across the globe. In pursuit of its social responsibilities, JGECAA organizes yearly technical seminar in Kolkata.

‘Design and Construction of Tunnels: Indian Technology and Advancement’ is chosen as the topic of the seminar, this year.

The Industrial Bodies, Construction Firms, Equipment Manufacturers are invited to join us by sponsoring the Seminar as a whole or part of it. They will be extended space – as per the details given – to air their views/ product.

Venue, Date and Time.....

On **5th. December, 2026 (Saturday)**

From 10:00 Hrs to 16:00 Hrs

At **Birla Industrial & Technological Museum (BITM) Auditorium, 19A, Gurusaday Road, Kolkata -19.**

BITM Auditorium is located close to Ice Skating Range in Ballygunge area (Kolkata).

Car parking is available inside the Campus with prior intimation to JGECAA.

Invitation for Sponsorship.....

Who can Join Us: From the sectors of Road/ Rail/ Metro Construction and Hydel Power Projects ---

- ◆ Design/Consulting Firms,
- ◆ Construction Firms,
- ◆ Tunnel Boring Equipment Manufacturer,
- ◆ Government Agencies in Rail/Road/ Hydel/Metro

You are offered space/time in the Seminar under following categories:

Sponsor	Free Delegate	Slot for Promotion	Display	Tariff (Rs)
Platinum	Up to 6	30 minutes	Stage/ Hall	1,50,000
Gold (Max 2)	Up to 4 each	20 minutes	Stage/ Hall	1,00,000
Silver (Max 3)	Up to 2 each	10 minutes	Hall	50,000
Valued Friendship	One each	Nil	Hall	25,000

Registration for Delegates/ Members/ Others...

Registration window opens on 1.11.26. For digital transfer, please refer to our Bank mandate given below and send the confirmation/UTR to mail ID.

On-spot registration is open on the date/ place of Seminar from 9:00 to 10:00 Hrs. The registration fees for Delegates, Members (JGECAA) and others:

Institutional Delegates: Rs.2,000.00 per head

Members (JGECAA) : Rs.600.00 per head

Other Participants: Rs. 800.00 per head

Modes of Payment.....

Either by cheque drawn in favour of ‘Jalpaiguri Government Engineering College Alumni Association’, or by NEFT transfer.
