9	Every Month	Executive Committee Meetings Specific dates to be finalised depending on availability / attendance of maximum members.

Note: All subcommittees need to be convened once every two months, with reports updated to the Executive Committee at regular intervals.

PROPOSED ACTIVITIES OF SUBCOMMITTEES

A | Alumni Welfare Subcommittee

Scope of Work: Prepare a list of all alumni who have the resources to step in for individual alumni in genuine distress. Offer logistic help for medical cases in Kolkata or outside. Offer assistance needed for a deceased alumnus's family. Explore relief options for individual alumni in genuine distress, including but not limited to loss of livelihood or permanent disability.

Remarks: For the last two scope items, financial assistance may be considered depending on the merit of the case. A dedicated fund (like the previous Distress Fund) needs to be built and sustained.

B | Cultural & Magazine Subcommittee

Scope of Work: Outline programs as per the calendar, organise funds, select artists and venue, and successfully organise the event.

Remarks: Needs members familiar with arranging cultural functions and publishing magazines.

C | Seminar Subcommittee

Scope of Work: Select topic, speaker(s) and venue for seminars, arrange sponsorship, and organise the event in collaboration with JGEC and JGECAA (Jalpaiguri) for seminars held at the college.

Remarks: For the 1st seminar, communication modalities to be firmed up from June 2026, with work to start right thereafter.

D | College Welfare Subcommittee

Scope of Work: Track the requirements of the college and student community. Prioritise these needs and arrange / organise support in collaboration with other Alumni Associations, individual alumni, and college authorities and stakeholders such as DTE, PWD, etc.

Remarks: Formulate and determine the scope of welfare for the college, prioritising immediate needs based on mutual consensus.

E | Land & Building Subcommittee

Scope of Work: Prepare a roadmap for purchasing a land parcel in and around Kolkata and identify sources of funds for the purchase; thereafter build a two-storeyed building where the ground floor serves as the JGECAA office and the first floor as a JGECAA guest house for JGEC students and alumni.

Remarks: To propagate this idea across a wider spectrum of the JGEC community for raising funds and voluntary donations for this purpose.

F | IT Subcommittee

Scope of Work: Prepare and maintain the website, circulate memos, arrange conference calls through Teams / Google Meet, and organise webinars.

Remarks: Needs to include younger alumni, say between passing years 1990 and 2010, in this committee.
